## **Conway Cultural Council Grant Funding Deadline**

Proposals for community-oriented arts, humanities, and science programs due October 15.

The **Conway Cultural Council** has set an **October 15th** deadline for organizations, schools, and individuals to apply for grants that support cultural activities in the community.

These grants can support a variety of artistic projects benefitting the people of **Conway** -- including exhibits, festivals, field trips, short-term artist residencies, or performances in schools, workshops, and lectures. Preference will be given to applicants from **Conway** and/or programs that take place in Conway.

The **Conway Cultural Council** is part of a network of 329 Local Cultural Councils serving all 351 cities and towns in the Commonwealth. The LCC Program is the largest grassroots cultural funding network in the nation, supporting thousands of community-based projects in the arts, sciences and humanities every year. The state legislature provides an annual appropriation to the Massachusetts Cultural Council, a state agency, which then allocates funds to each community.

Previously funded projects include a range of projects including nature walks, school programs, musical performances, support to the Conway 250<sup>th</sup> Anniversary celebration, and support for local history programs.
