

**Age-Friendly Conway Committee  
Minutes from June 5, 2025; 9 a.m.  
Town Hall, General Purpose Room**

**Present:** Kat Llamas, Jody Lally, Pat Lynch, Robin Yerkes Phil Kantor, Tilda Hunting, and George Forcier; Rachel Stoler from Franklin Regional Council of Governments.

**Minutes** of April 22, 2025, meeting amended and approved unanimously.

**Senior Bench update:** Following discussion, committee authorized Robin to ask town administrator to install the senior bench at the South River Meadows about half way along the path on the Shelburne Falls Road side, just off the path.

**Senior Social update....**Worked out final details of the Señor Social June 14, including Tilda managing two boys for setup and take down, George providing library with a banner, and placement of posters around town.

**Final funding:** Assuming the Senior Social will cost roughly \$3000, the board authorized spending about \$950 remaining in our FY25 budget: about \$450 on senior “uber” informational mailings and the balance on more padded folding chairs for town hall. If the police need more money for lockboxes in the coming year, we can consider using money from next fiscal year’s budget for that purpose.

**Other services:** Agreed to discuss further ideas for other services for seniors, such as trash pickup and a lecture series, at our next meeting, with an eye toward a system for institutionalizing pilot programs like the Senior Social.
