- Health and Wellness
 - New vaccine – Novavax, does not have MRNA – 4th approved by CDC for EUA (emergency use authorization.) Over 18 only. 2 primary, not yet approved for boosters, no mix & match
 - Moderna – now Spikevax for those over 18
 - Numbers have gone up a tad. Still at a low community level / community transmission still high
 - COVID tests, still have some to distribute
- Food Services and Inspections
 - Town Hall kitchen needs to be inspected. Laurie will apply w/ FRCOG to get that done
- Animal / Barn Inspector
 - Contact surrounding towns to see if their AI may be interested in adding Conway to their list of barns
 - Add in paper and/or currents for the position
- Festival of the Hills
 - Inspections for one-day food vendors being done by FRCOG
 - BOH may want to set up an information booth
 - Signs for food tables “BOH did not inspect the kitchens where food prepared”

- Workforce Capacity Survey
 - Do we have enough staff to get the work done (COHS not us)
 - All still up in the air / release expected early fall
 - They will be notifying SB members
 - Randy will send “FAQ’s”
- “Brainstorming session” tabled to the next meeting
- 1600 Main Poland Road – backwards progress – Randy C (FRCOG) will be visiting
- Next Meeting
 - August 22, 2022, at 5:00 p.m.

Motion to adjourn at 6:25 p.m.
