

Minutes of Cemetery Commission meeting January 7, 2025

Meeting called to order 7:02 pm

Present: Peter Freisem (Chair), Jack Harrison, Steve Jackson

New Business

Minutes of DECEMBER 10 meeting were approved.

BUDGET REQUEST FOR FY2026: PF proposed a \$600 budget request. JH asked if we might have sufficient funds left over from FY 2025 allocation to buy some more marking pins before end of current fiscal year.

PF said that Annual Report is due for FY 2024. JH said he would draft a report and submit at next meeting

Ongoing Business

CEMETERY MAPPING: PF reported that he had not yet heard back from Lee Whitcomb about the ESRI software license.

SOUTH PART: SJ reported that he had measured GPS points of the existing Danielson burial and also for the other 6 unused lots we have pinned. JH observed South Part may be the only cemetery in town with room for burials other than cremains burials.

PF mentioned that he would speak to Deane Lee's son at a favorable opportunity to inquire if he would be at all interested in selling some land that abuts Cricket Hill cemetery as a way of adding burial capacity.

MARCIA LEWIS BURIAL LOT: JH reported that there was email correspondence that had assigned two different lot numbers to the lot sold to Marcia Lewis in 2011, neither of which correspond to an old (Rose) survey. Commission agreed that all evidence indicate ML purchased a single lot. SJ suggest we just assign a new lot number that will fit in to our new mapping. As soon as that lot number is determined JH would prepare a deed for ML's records.

Next Commission meeting was agreed for Tuesday, February 11, 2025, at 7pm

Members voted to adjourn meeting at 7:44 pm.
