6. Public Hearings

a. Fisher/ Natural Roots RDA

- RDA submitted for putting fencing around farmed fields to keep out deer.
Major concern of commission was to make sure that wildlife had a means of travelling under or through the fence. It was shown on the plans that the fence has holes up to 5 inches wide to accommodate smaller wildlife. Bruton was to look to see if Natural Heritage had any recommendations for accommodating wildlife. Motion moved by Bruton and seconded by Grace, Negative 5 with exemption 10.04 (c) 1.a. ,
- Passed 4-0-0

Motion to adjourn by Grace, seconded by Bruton, approved 4-0-0. Meeting adjourned at 7:37.

Next regular meeting: December 14, 7:00
