Building Permits/Site Visits/Inquiries

- E. Cert - 204 Bardwells Ferry Road – Ratification

A letter was received from the building inspector with the name of the contractor and start date for the project to take down the barn. All signed the E. Certification

- Site Visit – Maple Street - Beavers

The water on the site is likely to back up once the snow melts. We should keep an eye on the situation.

Forest Cutting Plans

- 948 East Guinea Road, two separate plans
- 1008 East Guinea Road

These have been signed off, so the documents will be filed upstairs in the Town Hall.

Hearings

No Hearings Scheduled

Other Unannounced Business

- Corner of Emerson Hollow and Shelburne Falls Road - culvert needs to be replaced. Highway Superintendent Ron Sweet, needs to do an NOI and also involve Natural Heritage.

- Erosion on Wendy Stayman's property is not within the purview of the Conservation Commission, since the erosion itself is on private - not Town - property. Any work to repair the damage would be at the cost of the landowner.

The Commission received a draft of the River Corridor Protection Overlay District from the Planning Board, which is being worked on with help from FRCOG's Kimberly MacPhee. It is unlikely that the Commission would be involved in this draft.

Next Meeting

Tuesday, March 11, 2025, 6:00 p.m. Town Hall, General Purpose Room, 5 Academy Hill Road.

Adjourn

At 6:45 on a motion from Grace to adjourn, Tony seconded, all said aye and the vote was unanimous in favor.
