Activity coordinator check-in

Mike provided an update on the planned car show for Saturday, October 3. Changes this year will include the road being shut down at 1:30 pm with the actual show running from 2:00 to 6:00 pm. Traffic coming west will be detoured down Whately Rd to Maple St (Pumpkin Hollow) and traffic going east will enter Maple St and exit at Whately Road. Main St will be closed at the Masonic Hall and at the junction of Whately Rd. Some of the food truck vendors will be invited to join. Mike will provide a map of layout for a future meeting.

Alexis did not have anything to report for publicity yet.

Hazel reported that the vegan food truck will not be returning this year due to a conflict. She is actively looking for other food vendors and asked everyone to provide her with recommendations.

A new logistic coordinator is still needed. Hazel will be submitting an article in the Conway Currents asking for a volunteer.

Scholarship application count

Three applications were received for this year's scholarships.

Funds transfer to the town

The scholarship funds will be awarded from the Conway Festival of the Hills non-profit. The transfer of money to the town will be done after that is complete. Advertisement funds have started to come in and this money will be deposited directly with the town.
