Frontier School

Members Present: Jim Bosman, Tanya Campbell, Andrea Llamas, Roy Cohen (Bob Stone absent but was reached by phone as indicated below)

Next Meetings

Monday, October 21st 7 PM Town Office

Memo with Preliminary Tax Bill

Voted 5-0 (Bob Stone was reached by phone and voiced his support for this) to recommend a memo be included with the preliminary tax bill letting people know that there is an increase in the levy but they won't see it until their spring tax bill. Language drafted and sent out earlier by Jim can be considered a suggestion. This would not be a Finance Committee memo - it would come from the town.

Bob Stone as Rep to Personnel Committee

Voted 4-0 (Bob Stone was reached by phone and accepted the nomination) to have Bob serve as the Fin Com representative to the Personnel Committee.

Fin Com Vacancy

We still have a vacancy we need to fill. Jim will see about getting an announcement in the visitor and on the town website.

Next Meeting Date

Tanya can't do Wednesdays. Andrea can't do Wednesdays. During budget season Andrea has budget meetings on Monday nights. Looking to have a meeting tentatively on Monday October 21st.
