

MassDOT Project #609468 - District 1 - ADA Retrofits at Various Locations

What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT website to present the design for the District 1 - ADA Retrofits at Various Locations project. This project includes improvements at multiple sites across various cities and towns. The proposed work includes the construction or reconstruction of cement concrete pedestrian curb ramps, sidewalks, and driveways using both cement concrete and hot mix asphalt. Additional work includes drainage modifications as needed, removing and resetting curbing and transition curbs, and repairing roadway areas impacted by construction. The project also includes upgrades to existing traffic signals and the installation of Rectangular Rapid Flashing Beacons (RRFBs).

How will this affect you?

No construction start date of the proposed project has been set yet since it is currently in the design stage. At this time, the project is estimated to be advertised in the Spring of 2026 and construction could begin as early as the Summer of 2026.

When

Tuesday, June 3, 2025

7:00 PM to 8:00 PM

Attend

Please look for meeting link in:

<https://www.mass.gov/massdot-highway-design-public-hearings>

Please note this meeting will be transcribed by a stenographer.

Visit www.mass.gov/massdot-highway-design-public-hearings for more information.

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857) 368-8580, fax (857) 368-0602, relay 7-1-1, or by email to MassDOT.CivilRights@dot.state.ma.us. Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to DOTHighwayDesign@dot.state.ma.us

Please submit any written statements regarding the proposed undertaking to:

Carrie A. Lavalley, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116
