Agenda Item 1: Approval of the Minutes of November 18

APPROVED

Agenda Item 2: Review of Submissions for the February Issue

- Our logs agreed except for the Discussion Group item, which Louise couldn't find. Pat will send it to her.
- We discussed using the 100+Women item. The consensus was that it was for a good cause, since the group donated money collected from members to local nonprofits. We agreed to use it if space is available.
