Baseball backfield fence/net - Tanya said it was broken. Someone remembered TJ Conroy was involved in the original acquisition – Jan will reach out to him for more info

Jim noted that the wood fence along east side of ball field parcel is falling down in sections. Jan thinks this could be an easy one – get a quote from L&L Fence. It would need to be a special article.

Spring work bee – picnic tables – replace wood and stain; shed – re-stain, paint, repair

Jim noted there is a crack in the tennis court surface – Jan noted that we may not want to invest in that surface because it is imperfect

Vote on budget – agreed to level-fund but for FY24 include \$1K stipend for youth sports director
