Continuing Business

Veronique Blanchard, Town Administrator, submitted the following discussion points for this meeting in advance of the Finance, Capital and Personnel Joint Meeting (Dec 17, Town Hall 6-8pm)

1. Which positions in town are or should be salaried vs. stipend, paid how often, and recommendations for making all equitable (i.e. should the Planning Board or ConCom also be compensated like the BOH? Should all stipends receive a COLA or a set amount increase?)
2. Are all salaries in line with surrounding area? (the FRCOG salary study should be out by then)
3. Should employees be given a COLA, a flat \$ increase, or a combination of the two?
