

TRANSFER STATION POLICY ON PERMIT DECALS AND BAG STICKERS*

**effective July 1, 2025*

THE SELECTBOARD HAS GIVEN FULL AUTHORITY TO THE TRANSFER STATION ATTENDANTS TO ENFORCE THE RULES.

Transfer station vehicle decals are \$20 from July 1st through December 31st, and \$10 from January 1st through June 30th. Along with each vehicle decal residents will receive 52 bag stickers to each household which obtains at least one vehicle permit decal. This is the equivalent of one free 35-gallon bag of trash per week.

Stickers are to be used as follows:

- Two 13-16 gallon kitchen garbage bags = 1 sticker
- One 33-35 gallon bag = 1 sticker
- One 50-64 gallon contractor bag = 2 stickers

Loose trash **is not allowed** for two reasons, one because it falls out on the ground when the compactor pulls away and then the workers have to clean it up, which is a both a hazard to workers and creates litter, and also because loose trash is not allowed by the vendor which receives our trash. **All trash** going into the compactor must therefore be in bags, with the proper sticker(s) attached. The town has a collection area at the transfer station for donated feed & seed bags for those who prefer not to purchase trash bags, which the attendants can show you.

If residents need additional stickers (more than the 52 given out free), the cost is \$1.00 each.

NO TRASH IS ALLOWED IN THE COMPACTOR UNLESS IT IS IN A SEALED BAG WITH THE APPROPRIATE NUMBER OF STICKERS.
