

SUSTAINABILITY COMMITTEE MEETING MINUTES

Date: July 26, 2023

Time: 4:30 PM

Location: Town Offices, back room

Members Present: John Majercak, Jody Lally, Beth Girshman

Others Present: Véronique Blanchard

Meeting to order at 4:39 PM.

Members introduced themselves to each other and discussed why being part of the committee is important to them. Members then discussed how to move forward, including developing a statement of purpose and a list of priorities for the town. John mentioned the need to list projects which have different time frames; some which can be accomplished in the short term and some longer time frame projects.

The committee decided to meet more often in the beginning as these initial organizing plans are being developed and then later decide upon a more regular schedule.

The next meeting is scheduled for August 9th at 4:30 in the back room of Town Offices.

Respectfully submitted,

Véronique Blanchard
