

Town Administrator Update, 9-27-21

- I was on vacation most of last week, but we did have the cyber security training on Friday, and also presented Deb Craven with her retirement gift.
- I will be working from home on October 5th, 6th and 7th in order to participate in the MCPPO class.
- David Whittier and I have applied for the Museum on Main Street exhibition, put together by the Smithsonian and offered through MassHumanities.
- Update on Nexamp: As of September 9th, Nexamp has been connected to the grid with no further issues.
