Miscellaneous

- I updated the transfer station webpage with the newly voted pricing effective 1/1/25.
- I attended a meeting about the regional wood bank which included a draft outline for an Memorandum Of Understanding (MOU) between DCR, Woodland Partnership and the towns of Charlemont, Buckland and Colrain. This is just the beginning of the process, and information will be brought to the Selectboard as it becomes available.
- I have received one application so far for the Senior & Veteran's Tax Work Off program.
- I've had meetings with Capital Improvements and Finance, and went to District 1 with Ron Sweet and Chief Bates to hear about the upcoming schedule for the North Poland bridge replacement. They are anticipating the construction season to be from June 11th through November 11th, 2025.
