

February 3rd, 2025 Town Administrator Update:

Miscellaneous

- We have been awarded the EOTSS cyber security awareness training grant again for 2025. This will be the 4th year Conway has participated and I signed the paperwork today.
- I recently signed for our annual Mass Cultural Council grant for \$5,700.
- There is a new ipad lottery of 50 ipads, again generously given to the town of Conway by the South County Senior Center grant. The applications are available at town hall and town offices and can be turned into my office. I need to confirm the deadline with SCSC.
- There have been no new applications for Senior and Veteran's Tax Work Off program; the extended deadline was January 31st.
- Would you like me to reach out to express support for the Municipal Empowerment Act with our legislators?
 - <https://www.mass.gov/municipal-empowerment-act>
- Susan Schroder was a former member of the Agricultural Commission. The Commission disbanded before they were able to complete the mission of putting up signs at the entryways to Conway that proclaim it a 'Right to Farm' town. She and I are working on completing that job; I will forward some of the sign designs to the board.
