

27th WCPCEA Tournament - A Hot Success

Near the boiling point in mid-July, the Conway Firemen's Auxiliary sponsored the WCPCEA (World Class Professional Crazy Eights Association) National Championship. A hot time was had by all! Dr. Howard "Doc Nater" Natenshon waltzed away with the trophy and the twenty-seven-year-old jacket.

Through the generosity of our players and Kate & Russ French, over \$700. was awarded to the Auxiliary.

A big "thank you" also goes out to: Ken Ouimette, Shiela Harrington & Greenfield Savings, all the Baker family, and Misty Loncar who kindly donated her half of the 50/50 raffle. The same cannot be said of former all-pro Eights player, Jon Pepper who would not relinquish for any price, his "Yodeling Pickle" raffle prize.
