

# Smart Meters, Smart Choices:

## From Installation to Energy Insights

SMART METER INSTALLATION BEGINS THIS AUGUST IN WESTERN MASSACHUSETTS.

*As we get closer to rollout,  
it's important to learn  
what to expect and how  
your business will benefit.*

WEBINAR

THURSDAY  
**JULY 17**  
**9AM – 10AM**

**Join us for a free one-hour webinar where we'll discuss:**

- What will happen leading up to and during a smart meter installation.
- The features you'll see once your smart meter is installed.
- The numerous benefits a smart meter offers.
