

February 27th , 2023 Town Administrator Update:

Meetings attended:

- MMA hosted a webinar of best practices for resident engagement. It was more geared for larger towns and cities, but still had some useful information.
- Finance team – our accountant, assessor, treasurer, chair of finance and I all met to have a preliminary discussion on sources of revenue and other potential offsets to the increased general fund budget requests for FY24.
- The capital improvements committee, now fully staffed, met to review the needs of the highway department and discussed putting together a presentation for annual town meeting.
- The screening committee met to review and discuss applicants to the Police Chief position.
- The public buildings committee met to review survey plans and specifications with Dave Vreeland and Jon Wyman.
- Phil and I spoke with Kaily Hepburn, attorney for Sun Grown Alternatives, as they have expressed interest in moving forward with a host community agreement. Ms. Hepburn will get back to us with more information.
